STATISTICAL APPENDIX

Northeastern Ontario Planning Region

Ministry of Treasury, Economics and Intercovernmental Afficies Medical Planning Branch

Digitized by the Internet Archive in 2018 with funding from Ontario Council of University Libraries

INTRODUCTION

The Statistical Appendix provides background information on the Northeastern Ontario Planning Region. Compiled from data published by Statistics Canada, the Department of National Revenue and the Ministry of Natural Resources, Division of Mines, the tables were prepared by Mrs. Pearl Vaughan and the Statistical Services Section of the Regional Planning Branch.

The Statistical tables contained in this appendix are intended mainly to support the continuing provincial planning process in Northeastern Ontario. However, the information provided may well be a convenient source of data for persons wishing to make further analysis of the region. The tables do not represent all of the available or published data on the region; only data considered of greatest significance and widest interest are included. The statistics are generally for the period 1961 to 1971 inclusive.

The Statistical Appendix is being continually enlarged and updated as additional data becomes available.

MOTEORGRANIS

The Statistical Appendix provides becignous and information on the Morthametern omtacis Diseasing Applys. Compiled from data published by Statistics Chanda, and Department of National Davenne and the Ministry of Manual Restaures of National Davishes, on Himse, one tables were prepared by Hrs. Pearl Vaugnes and the Statistics of the Regions of the Regions of Statistics of Statis

The Statistical tables contained in this appendix are intended mainly to support the continuing process in Morthometers onesition. Discussion, the information provided may well be a convenient source of data for persons within in mot continuing analysis of the region. The sables do not represent all of the evaluable or published data on the sables of the convenient and value in the convenient of the statistic and there are not statistic and will be the convenient of provided are included. The statistic are lacing as and wiles in the statistic are period less to lot includes are

The Statistical Appendix is being continually and advantaged on additional data necessary brailings

LIST OF TABLES

1. Population

- 1.1.0 Population Distribution by Sex, Districts, Northeastern Ontario Planning Region and Province of Ontario, 1961, 1966 and 1971.
 - 1.1.1 Population Distribution by Sex, Incorporated Municipalities, Algoma District, 1961, 1966 and 1971.
 - 1.1.2 Cochrane District
 - 1.1.3 Manitoulin District
 - 1.1.4 Nipissing District
 - 1.1.5 Parry Sound District
 - 1.1.6 Sudbury District
 - 1.1.7 Timiskaming District
- 1.2.0 Population Distribution by Age Groups, Districts, Northeastern Ontario Planning Region, 1961, 1966 and 1971.
 - 1.2.1 Population Distribution by Age Groups, Incorporated Municipalities, Algoma District, 1961, 1966 and 1971.
 - 1.2.2 Cochrane District
 - 1.2.3 Manitoulin District
 - 1.2.4 Nipissing District
 - 1.2.5 Parry Sound District 1.2.6 Sudbury District

 - 1.2.7 Timiskaming District
- 1.3.0 Population Distribution by Ethnic Groups, Northeastern Ontario Planning Region, 1971.
- 1.4.0 Urban and Rural Population Distribution by Districts, Northeastern Ontario Planning Region and Province of Ontario, 1961, 1966 and 1971.
- 1.5.0 Rural Farm and Non-Farm Population Distribution, Districts, Northeastern Ontario Planning Region and Province of Ontario, 1961, 1966 and 1971.
 - 1.5.1 Rural Farm and Non-Farm Population Distribution, Algoma District, 1966 and 1971.
 - 1.5.2 Cochrane District
 - 1.5.3 Manitoulin District
 - 1.5.4 Nipissing District
 - 1.5.5 Parry Sound District
 - 1.5.6 Sudbury District
 - 1.5.7 Timiskaming District
- 1.6.0 Population Density by Districts, Northeastern Ontario Planning Region and Province of Ontario, 1961, 1966 and 1971.

NOTE: Due to random rounding by Statistics Canada, 1971 figures may not add to totals

1 North Bay City annexed Widdifield and Ferris West in 1968.

2 Airy incorporated in 1962 from Unorganized.

3 Temagami I.D. Incorporated in 1968 from Unorvanized.

4 To parts of Inorganized transferred to Unorganized Temiskaming Territorial District in 1967 and to Lake of Bays,

Muskoka D.N. in January 1, 1971.

5 Territorial District Boundaries Changed. See footnote *4.

NOTE: Due to random rounding by Statistics Canada, figures may not add to totals.

*1 Haileybury Town and Bucke amalgamaged January 1, 1971.

*2 For other part see Cochrane Territorial District.

*3 Matchewan annexed to Unorganized in 1962.

*4 Teck Township annexed part of Unorganized in 1969.

*5 Part of Unorganized from Nipissing Territorial District transferred into this district in 1967.

*6 Territorial District boundaries changed see footnote *5.

Definitions of Rural and Urban

Includes the population living in (1) incorporated cities, towns and villages with a population of 1,000 or over; (2) unincorporated places of 1,000 or over having a population density of at least 1,000 per square mile; (3) the built-up fringes of (1) and (2) having a minimum population of 1,000 and a density of at least 1,000 per square mile.

Includes all the remaining population. Rural:

¹ A "farm" for census purposes is defined as an agricultural holding of one or more acres with sales of agricultural products of \$50 or more in the previous year. All persons living on such holdings in rural areas are classed as "rural farm" regardless of their occupation.

² Classed as rural in 1966.

⁻ Nil

The figures reported in this table were collected primarily for purposes of farm classification but are being published because of their usefulness for studies at the county or census division level. They differ from the cash income figures published by the Agriculture Division, Statistics Canada, and the user should exercise caution when using them. Note:

For description of Labour Force Categories, see following page. Notes:

DESCRIPTION OF LABOUR FORCE CATEGORIES

- 1. Natural Resource Allied Manufacturing includes the following industries:
 - a) Wood and Furniture Industries
 - b) Paper and Allied Industries
 - c) Primary Metal Industries
 - d) Metal Fabricating and Machinery Industry
- 2. All Other Manufacturing includes the following industries:
 - a) Food and Beverage Industry
 - b) Textile and Clothing Industry
 - c) Printing, Publishing and Allied Industries
 - d) Other Manufacturing Industries
- 3. Public Services includes the following industries:
 - a) Transportation, Communication and Other Utilities
 - b) Public Administration and Defence
- 4. Social Services includes the following industries:
 - a) Education and Related Services
 - b) Health and Welfare Services
- 5. Personal Services includes the following industries:
 - a) Finance, Insurance and Real Estate
 - b) Personal Services
 - c) Other Service Industries
- 6. Tourism Related includes Accommodation and Food Services
